Commercial Enterprise to Count For

Cor. Elm & Lamar

Cor. Elm & Lamar.

We won't rest until we capture the entire confidence of the people. The general public as judges are keenly discriminating. They measure everything by the success it attains, which method, considered in the light of COMMON-SENSE, is certainly not a bad one. Last week's clearance sale publicly endorsed as the only genuine clearance clothing sale in Dallas; all other sales pronounced HUGE SHAMS compared with this grand bona fide clearance sale of

Prices Not Considered, the Goods Must Go!

WE MAKE THINGS FLY. CLOTHING at YOUR OWN PRICE. Cost Not Considered.

We Do Not Intend, Though this is Our Dull Season,

To relax our efforts, slacken our energies, nor economize pains or care, in maintaining our JUSTLY earned position in the FRONT, which the success of our past efforts has secured. The custom, air and elegant appearance of our garments are widely known, as are also our original styles, select materials, choice trimmings and LOW PRICES. This is a year for Booms, Political Booms, Theatrical Booms, and Speaking of Business Booms, if ever on Earth the Clothing Trade of this country enjoyed such thing, they certainly are now and we wish to be

Of Benefit to Every One.

Through our efforts and by our undaunted labor, we have placed the prices of Clothing and Furnishing Goods down within the reach of everybody. To us belongs the credit of marking down the prices, and by straightforward and legitimate methods we have succeeded in steadily increasing our business until its volume is twice that of any house in the Southern trade.

DOWN! DOWN! DOWN!

They go! in the sweeping wave of reductions. Our stock must be closed to make room for spring and summer goods, and cost and value are disregarded. Our styles, qualities and makes recommend themselves. All our clothing is especially made for the finest and best retail trade, is well shrunk and made, and cut with an eye to comfort and fit.

UNDER NO CIRCUMSTANCES

should any one buy a dollar's worth of clothing or furnishing goods without first examining our stock. We represent truthfully every article we sell, and guarantee satisfaction.

Fine Things.
Fine weather at this season is apt to leave us on a sudden, but the fine cigars and smoking tobacco for which El Espanol smokers' parlor is famous, never loses their fragrant flavor. Smokers, therefore, need never get "left" on this account if they will take the proper precaution by making their purchases at the right place, as above.
